

Before you enroll

Make sure this plan is the right one for you. It's important that you understand how the plan works and what benefits are covered before you enroll in this plan. You can find plan documents at myPreferredCare.com.

Did you check the online Drug List (Formulary) to make sure your prescription drugs are covered?

Drugs not covered by the plan may have alternative drugs that can be used instead.

Did you check the online Provider Directory to make sure your providers are in the network?

If your providers are not in the network, you will need to select a new network provider. You also have access to a large dental provider network. You can get care from out-of-network dental providers but your costs may be higher, even for services with a \$0 copay.

Did you review the online Pharmacy Directory to make sure the pharmacy you use is in the network?

If your pharmacy is not in the network, you will need to select a new network pharmacy.

Did you look through the Summary of Benefits in this booklet to review your medical services and prescription drugs?

You can find a complete list of coverage, benefits and plan rules in the Evidence of Coverage online.
